available material: ask

Threaded fittings > unions > conical seat > PN 50/ 100 > kit / individual parts > series R-134 (PN 40) > kit > R-134 M

Modular system

series R-134

- > all individual parts can be exchanged with each other or combined
- > by installing the seal, a cone sealing coupling becomes a flat sealing coupling
- > manufactured from solid material - „threaded version“
- > pressure level PN 40
- > material 1.4404/ AISI 316L
