It is possible that no prices shall be displayed for individual articles despite a successful login to myheco.

How is that possible?

Either no prices have been stored for you for this article yet or we do not have a gross list price for this article in our merchandise management system. Please make a request for the article concerned.

»Surf on our website with your customized effective prices!«

Additional price information

5 In addition to displaying your customized effective prices, we also offer additional price information for your request under „stocks and pricing“.

A requirement for the additional price information is that the article has been offered to you or sold to you within the last three months.

Further information
