

pressure gauge valve

[short name: MMAV*](#)

DIN 16270, spigot x sleeve

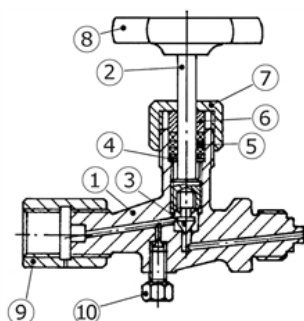

technical product sheet

G	PN	L	H	D	SW	Typ	kg
1/2"	100	100	100	63	27	DVGW	0,556
1/2"	400	100	100	63	27	-	0,542

available material: ask

Industrial valves > control technology > pressure gauge valves > spigot x sleeve

Parts list

No.	Designation	Material
1.	Housing	Stainless steel 1.4571
2.	Stem	Stainless steel 1.4571
3.	Ball	Stainless steel 1.4571
4.	Packing base ring	Stainless steel 1.4571
5.	Packing	PTFE
6.	Stem packing	Stainless steel 1.4571
7.	Union nut	Stainless steel 1.4571
8.	Handwheel	Pressed material
9.	Clamping socket	Stainless steel 1.4571
10.	Ventilation screw	Stainless steel 1.4571

Temperature

max. +200°C

with DVGW to +120°C

Area of application

Pressure measurement device when measuring the pressure of liquids, gases and vapors
