

gasket  
for Geka - quick coupling

[short name: GEKA.D\\*](#)

[technical product sheet](#)

DW	c	Abnahme	Art.-Nr.
NBR	schwarz	-	GEKA-DI-NBR
NBR	rot	DVGW	GEKA-DI-NBR-DVGW
Viton	grün	-	GEKA-DI-VITON

available material: NBR

Abb. 2/2

### Pressure and Temperature Resistance

The choice of form sealing ring determines the pressure range as well as the temperature range.

Application	NBR	Viton (see Fig. 2/2)
Pressure range	up to 40 bar	up to 30 bar
Temperature range	-30°C to +100°C	-20°C to +200°C
